## FOR IMMEDIATE RELEASE

### Extended on/off-ramp closures on westbound I-210 starting Oct. 30

*Crews will repave roads across ramps*

**LA CAÑADA FLINTRIDGE** – The California Department of Transportation (Caltrans) plans to close the **westbound** I-210 (Foothill Freeway) Berkshire Place **on-ramp** and Foothill Boulevard **off-ramp** for up to 45 days beginning Oct. 30.

During the closure, which will remain in effect through November, crews will repave roads across the ramps.

Detour signs will be posted. Motorists may experience delays, and are advised to plan ahead.

Motorists are also reminded to be “*Work Zone Alert*” and “*Slow for the Cone Zone*.”

For real-time information on lane or ramp closures, visit Caltrans Quickmap, [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov). You can also download the QuickMap app for free on any iPhone or Android device.

### ABOUT THE I-210 PAVEMENT REHABILITATION PROJECT

The extended ramp closures are part of a \$148.5 million pavement rehabilitation project for a 9.7 mile section of I-210 from the La Crescenta-Montrose area of Glendale to Pasadena.

The new surface will provide a smoother drive for motorists and reduce the need for maintenance and further lane closures.

In addition to repaving roads, crews are replacing concrete median barriers and guardrails, upgrading electrical and lighting to tunnels, re-striping lanes and reconstructing curb ramps to meet Americans with Disability Act (ADA) requirements.

The project started in Spring 2015, and is scheduled to be complete in Summer 2018.

More details about the project can be found on the Caltrans' District 7 website:

<http://www.dot.ca.gov/d7/projects/details.php?id=45>

###

**BE WORK ZONE ALERT**
